

TAX

Our Tax Practice is focused on helping our clients legally minimize the Vietnam tax cost associated with their transactions and ongoing business operations, and resolve disputes with Vietnamese taxing authorities.

We are well qualified to advise on the most complicated tax issues and offer practical and efficient solutions. We were recognized as the Leading Tax Advisors in Vietnam and are highly rated in the Asia Chambers, the Legal 500 and other peer and client rankings.

The Tax Practice integrates dispute, consulting and transactional advice to produce practical and efficient solutions to often highly complex tax problems.

PRACTICE FOCUS AREAS

Tax Dispute and Litigation

The Tax Dispute and Litigation Practice deals regularly with the Ministry of Finance, General Department of Taxation, and local taxing authorities in resolving tax disputes and cases, and we have successfully litigated a variety of tax disputes in the Vietnamese courts.

Transactional Tax Advice

Phuoc & Associates' Tax Practice has extensive experience in transactional tax planning on a national and international basis, and aims to develop and implement tax-efficient structuring to satisfy client objectives.
